

Office of the Dean of the Faculty Faculty Voting System

The Faculty Voting System (FVS) is an online application that the Office of the Dean of the Faculty uses to conduct faculty elections on behalf of the Clerk of the Faculty. In 2017-18 we are introducing a new version of the application; the functionality is similar to the old system, but has a different look and feel and (we hope) a more intuitive interface. If you have comments or questions, or require assistance, please send an email to dof-voting@princeton.edu.

1. Logging In

- Open any web browser and navigate to: <https://puwebp.princeton.edu/fvsVoting>.
- Log in with your NetID and Password.
- You should see something similar the following:

Click here to log out

The screenshot shows the top navigation bar of the Faculty Voting System. On the left is the Princeton University logo and name. In the center is "Office of the Dean of Faculty". On the right is a "Log Out (js99)" link. Below the navigation bar is a section titled "Faculty Elections". Under this title, there are instructions: "Open Elections", "Click on an election to cast your vote.", "You may vote only once in each election.", and "Once you have cast your vote, your entry becomes permanent and cannot be viewed or altered later." Below the instructions is a table with three columns: "Close Date", "Election", and "Results". The table contains one row: "Feb 8, 2018" in the "Close Date" column, "[Test - Faculty Advisory Committee on Appointments and Advancements 2018-2019](#)" in the "Election" column, and an empty "Results" column. The election link is highlighted in blue.

Close Date	Election	Results
Feb 8, 2018	Test - Faculty Advisory Committee on Appointments and Advancements 2018-2019	

Open elections will be highlighted in blue.

2. Viewing an Election

- All open elections will be highlighted in blue. Generally there will be 2 to 4 elections open at a time. You can vote in each election only once.
- To participate in an election, click on one of the blue links. You should see a page with three sections. The top section describes the election:

The middle section has instructions:

The candidates are initially listed randomly. Once you begin selecting candidates, they will be ordered so that your ranked preferences are at the top of the list and candidates for whom you haven't voted are at the bottom of the list.

You can vote for a single candidate, multiple candidates, or no candidates (by checking the *Abstain from Voting* box). To vote for a candidate, simply check the "Your Vote" box to the left of the candidate's name.

At any time you can rank the candidates in your order of preference within each group; note that some elections will only have one group. Use the Drag and Drop icon (☰) or the Up/Down arrows (↕) to change the ordering of your selections. These icons will only be visible once you've chosen more than one candidate.

If you select more than one candidate, it's important to rank the candidates in your order of preference. See the [FAQ](#) for a discussion of Single Transferrable Voting and why ranking candidates is important.

Click the **Cast Ballot** button at the bottom of the page when you're satisfied with all your choices. Once you click **Cast Ballot**, you will not be able to change your vote for this election.

The bottom section is the ballot, containing the slate of candidates:

Dorothea Dix

Dorothea Lynde Dix (April 4, 1802 - July 17, 1887) was an American activist on behalf of the indigent mentally ill who, through a vigorous program of lobbying state legislatures and the United States Congress, created the first generation of American mental asylums. During the Civil War, she served as a Superintendent of Army Nurses.

3. Selecting and ordering candidates and casting your ballot.

You can vote for a single candidate, multiple candidates, or no candidates (by checking the “Abstain From Voting” box). To vote for a candidate, simply check the Your Vote box to the left of the candidate’s name.

At any time you can rank the candidates in your order of preference within each section; note that some elections will only have one section. Use the Drag and Drop icon (☐) or the Up/Down arrows (↕) to change the ordering of your selections. These icons will only be visible once you’ve chosen more than one candidate.

Here is what an election slate looks like after a voter has selected one candidate:
